## General Notice

This is to inform you that due to absence of our complex name 'Airport City' in the CESC's Electricity Bills (for most of the residents), problem arises to some of our residents in showing it as residential proof.

As electricity bill is an essential document for proof of address. So, on behalf of you (who don't have the complex name), we, the ACFOA committee are deciding to include our complex name in the bills just after your names. Those, who are not willing to add the line 'Airport City' in the bills are requested to inform us in our ACFOA office on or before 20<sup>th</sup> of Aug'2014.

  
Secretary, ACFOA
