Resolution 3:

1. Major decision has been taken for Lift up gradation & introducing new Solar panel. Decision regarding arrangement of fund will be finalized by next committee according to future Executive Body Meeting.

2. It was decided that the collection of maintenance charges **will be based on financial year(i.e. April-March) instead of existing mode of collection as calendar year (i.e. January-December).**The same was approved by the Auditor and this change will be effective from 1st January 2019. For this transition phase, the maintenance charges from 1st January 2019 to 31st March 2019 (3 months) will be collected separately with the **existing rate** of maintenance. **From 1st April 2019 to 31st March 2020, the maintenance rate will be decided as per the EGM to be held in Feb'2019.**

3. One suggestion we received from our resident (Mrs. Sumita Chakraborty) regarding Inter-Com facility (private EPBX) between all interested residents, which enable us more secure and interconnected.
